<b>Building and Site Sinking Fund Millage Replacement Proposal</b>

This proposal, if approved by the electors, will replace and extend the authority last approved by the electors in 2010 and which expires with the 2018 levy for the Bloomfield Hills Schools to levy a building and site sinking fund millage. This proposal allows the use of proceeds of the millage for all purposes previously permitted by law as well as newly authorized security improvements and the acquisition or upgrading of technology. Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses.

As a replacement of existing authority, shall the Bloomfield Hills Schools, County of Oakland, Michigan, be authorized to levy 0.7165 mills (\$0.7165 per \$1,000 of taxable valuation), for a period of six (6) years, being the years 2018 to 2023, inclusive, to create a building and site sinking fund to be used for the construction or repair of school buildings, school security improvements, the acquisition or upgrading of technology or for other purposes, to the extent permitted by law? This millage would provide estimated revenues to the School District of approximately Two Million Five Hundred Eighty-Three Thousand (\$2,583,000) Dollars during the 2018 calendar year, if approved and levied.

<b>Sinking Fund Millage Proposal</b>

This proposal authorizes the Southfield Public Schools to levy a building and site sinking fund tax, the proceeds of which will be used to make improvements and repairs to the School District's facilities and to purchase technology. Pursuant to state law, the expenditure of the sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses.

Shall the Southfield Public Schools, County of Oakland, Michigan, be authorized to increase the constitutional limitation to allow the levy of 0.7 mill (\$0.70 per \$1,000 of taxable value) on all taxable property in the district, for a period of ten (10) years, the years 2018 to and including 2027, to create a building and site sinking fund to be used for the construction or repair of school buildings, school security improvements, the acquisition or upgrading of technology or for other purposes, to the extent permitted by law? This millage, if approved and levied, would provide revenues to the School District of approximately \$1,681,214 in the first year of levy.
