

# CONSTRUCTION ADVISORY NOTICE

**West Bloomfield Township – SAD #161 – Rutledge Park - Roadway Improvement Project**

May 25, 2018

Dear Homeowner,

We would like to take this opportunity to advise you of recent developments with respect to the West Bloomfield Township SAD #161 – Rutledge Park – Roadway Improvement Project.

As you are aware, construction of the proposed Roadway Improvement Project has been slightly delayed due to poor weather. As such, we are a few days behind schedule, from what was listed in the previous “Construction Advisory Notice” from May 18<sup>th</sup>.

**Asphalt installation in the full depth repair areas began yesterday (Thursday, May 24<sup>th</sup>) and will be completed today (Friday, May 25<sup>th</sup>). Additionally, installation of the base course of asphalt in the required drive approaches will be completed today. Once complete, the impacted driveways will be opened to vehicle traffic.**

**Beginning on Tuesday, May 29<sup>th</sup>, the contractor will adjust their traffic control measures and begin demolition of the second half of the required roadway repair areas.**

The Construction Inspector from Nowak & Fraus Engineers will notify any impacted residents of the second half of the construction project, if access to their driveway will be restricted, prior to closing down their driveway, and advise of acceptable alternate parking areas along the roadway. Any on-street parking of vehicles will be prohibited within the area of construction. Residents will be directed to park along ONE side of the roadway, outside the project limits (potentially Ledgeway Drive, Rutledge Park Court, Wynford Drive or Winchester Road)

Mail delivery, garbage collection and emergency vehicle access will be maintained throughout the duration of the project.

If there are any specific concerns or questions regarding the project, please feel free to contact Jason Longhurst, of Nowak and Fraus Engineers at 248-332-7931 or Pamela Sych, of West Bloomfield Township at 248-451-4815. Additionally, project information will be continually updated on the Township Website at the link below:
