

**Willow Farms Subdivison Storm Water  
Improvements SAD NO. 152  
Project Update**

Construction is set to begin in June on the storm basin. Hubbell, Roth & Clark (HRC), will be onsite performing a pre-construction aerial flight for the existing drainage basin located behind House No. 6642 Windmill Lane. This aerial work will be performed using a drone, and is scheduled for the morning of Wednesday March 29, 2017 between the hours of 9:00 a.m. -12:00 p.m., weather permitting.

You will receive additional flyers updating you as the construction schedule proceeds.

Every effort will be made to minimize the inconvenience to area residents. Should you have a concern or question, please notify **John Cecil, Project Liaison**. Thank you.
