

Addendum 2

Please read the revision:

Article VII, Section 2, paragraph b, states the Contractor shall perform directly, without subcontracting, not less than fifty percent (50%) of the labor required for the construction of this project. A Contractor requesting to increase the percentage of work performed by the subcontractors, **may in the discretion of the Township**, be accepted as long as the following criteria are met:

- Subcontract agreements shall meet the specifications as defined in Article VII, Section 2, paragraph b.
- Contractor shall provide to the Township a copy of each subcontractor agreement.
- Contractor shall provide insurance certificates from each subcontractor showing they meet the insurance requirement prior to working.
- As defined in Article II, Section 2, paragraph a, the “Superintendent” that will reside over the project shall be employed by the General Contractor.
